## Join Us for Founders Day 2022

Our first event of the year is Founders Day and I hope you can join us, January 29<sup>th</sup> from 1PM to 4PM. Founders Day recognizes our start by Al Tarantino and Joe Quicker in 1964. We look forward to welcoming members for a beautiful afternoon on our NYCSD Patio. This is casual event. Time to reconnect with old friends and welcome new one. We will be cooking up burgers and hot dogs. We ask our members to bring a side or a dessert to share. If you would like to attend, please RSVP on our website, [www.nycsd.club](http://www.nycsd.club). This will help us make sure we have enough food and drink for everyone.

## The View From the Bridge

### – Commodore Jeni Lench

This is an exciting time at Navy Yacht Club San Diego! Our new Bridge and Board is busy planning for some amazing events in 2022. The first one being our “Founders Day” celebration, I hope you are able to join us. We will be grilling hot dogs and burgers. We are asking members to bring a side or dessert to share.

As you know, NYCSD is an all-volunteer organization. There are ample opportunities throughout the year to get involved. The first opportunities to help this year will be our maintenance days. We will be getting the club ready for the 2022 season. Our first maintenance day is on Saturday January 22 at 9am. RSVP to me at [commodore@nycsd.club](mailto:commodore@nycsd.club) for more information. Another GREAT opportunity to get involved is to join our Race Committee! No experience is needed and it is a lot of fun to go out on the bay and support racing. We need volunteers on Wednesday evenings from April to August and select Saturday races. You do not have to be available for all of them. We will conduct our first meeting for those interested in Race Committee on Saturday February 26. Email [vicecommodore@nycsd.club](mailto:vicecommodore@nycsd.club) if you want to find out more information.

Finally, I would like to say that I am honored to be the Commodore of NYCSD for 2022 and look forward to an opportunity to meet all of you at one of our events this year. Stop by and introduce yourself!

## Membership Information

If you need any help with your membership, you can now email directly to our membership chairperson at [membership@nycsd.club](mailto:membership@nycsd.club). Membership renewals are available online on our website. As we begin a new yachting year, please also take a moment to review the policies on reciprocity. There is a great article on our website with full details on how to use this benefit. Remember, you are a guest at a reciprocal club. It is also very important to not abuse this privilege so we do not lose it. If you plan on visiting a reciprocal club, check their rules too. We should never visit a reciprocal club too often, in fact, some clubs have limits on the number of visits that are permitted. Again, our website has an article with the full discussion of reciprocity under the tab “Club Stuff.”
